MEMO

June 22, 2009

To: Cuyahoga County Democratic Party Officers, City/Ward Leaders, Central Committee Members, Executive Committee Members and Democratic Elected Officials

From: Cuyahoga County Democratic Party Chairman
Jimmy Dimora

Effective July 1, 2009, I will be temporarily stepping aside as Chairman of the Cuyahoga County Democratic Party. I am doing this at this time for the good of the Party. I want to focus on my duties as Cuyahoga County Commissioner and to also clear my good name. In my temporary absence the day to day oversight of operations of the Cuyahoga County Democratic Party will be the responsibility of the very competent, very capable, and extremely experienced Vice-Chair, Patricia Britt. This is in accordance with Section 9 of the Constitution and By-Laws of the Cuyahoga County Democratic Party. As has been the past practice with all Party officers, myself included as Chairman, our positions are volunteer and none of the officers have or will receive compensation for services rendered to the Party.

If you have any questions, please call the Executive Director, Mary Devring, at 216.621.9750.
